LEGAL-REVIEW DRAFT - NOT APPROVED FOR PUBLICATION

Draft date: September 11, 2026

2300 Nacogdoches Rd Apt 124F, San Antonio, TX 78209, United States

Legal-review draft - not approved for publication

Draft date: September 11, 2026

Proposed effective date: [INSERT EFFECTIVE DATE]

Document version: 2026.09-DRAFT

This package is a business draft for review by qualified Texas legal counsel. It should not be published or used to accept paid entries until counsel confirms the contest structure, official rules, consumer terms, privacy disclosures, and implementation.

This package contains four coordinated documents:

1. Terms of Use
 2. Official Rules for the Pin2Win \$5,000 Hole-in-One Challenge
 3. Refund and Payment Issue Policy
 4. Privacy Policy
-

Part I - Terms of Use

1. Agreement to These Terms

These Terms of Use (the "Terms") are a legally binding agreement between you and PIN2WINGOLF LLC, a Texas limited liability company doing business as Pin2Win ("Pin2Win," "we," "us," or "our"). They govern your access to and use of pin2wingolf.com, Pin2Win accounts, QR-code entry flows, challenge registration, payment access, leaderboards, result submission, and related services (collectively, the "Services").

By creating an account, accessing the Services, purchasing a challenge entry, checking an acceptance box, or otherwise using the Services, you agree to these Terms, the applicable Official Challenge Rules, the Refund and Payment Issue Policy, and the Privacy Policy. If you do not agree, do not create an account, purchase an entry, or use the Services.

Each challenge may include challenge-specific details displayed before purchase, including its venue, entry fee, dates, attempt window, simulator configuration, prize, and other conditions ("Challenge Details"). The Challenge Details and applicable Official Rules form part of your agreement with Pin2Win. If Challenge Details conflict with the Official Rules, the Official Rules control unless they expressly state otherwise.

2. Eligibility and Texas-Only Availability

You may create an account and enter a prize challenge only if you:

- Are at least 18 years old.
- Are a legal resident of Texas.
- Are physically present at an authorized Texas partner venue when purchasing and completing the applicable challenge entry.
- Have legal capacity to enter into these Terms.
- Satisfy the applicable venue's admission, booking, conduct, and age requirements.
- Are not prohibited from participating by law or by the applicable Official Rules.

The paid challenge program is offered only in Texas and is void outside Texas and where prohibited. Pin2Win may require reasonable proof of age, identity, residency, physical presence, or eligibility at any time, particularly before awarding a prize or issuing a refund.

3. Nature of the Services

Pin2Win operates golf skill challenges through participating simulator venues. Pin2Win may provide account registration, QR-based access, payment processing connections, challenge codes, attempt records, result collection, verification, leaderboards, and prize administration.

Pin2Win is not the owner or operator of every participating venue and generally does not control simulator reservations, venue admission, food or beverage service, staffing, facility conditions, or unrelated venue charges. Venue bookings and venue services may be governed by separate terms between you and the venue.

Third-party names and products, including Square and simulator platforms such as E6 Golf, belong to their respective owners. Unless expressly stated, those third parties do not sponsor, administer, or endorse a Pin2Win challenge.

4. Accounts

You must provide accurate, current, and complete information, including your real name, email address, phone number, and simulator display name. Your Pin2Win record and simulator record must identify the same participant.

You are responsible for:

- Keeping your login credentials confidential.
- Activity performed through your account.
- Promptly updating incorrect or outdated information.
- Notifying Pin2Win if you suspect unauthorized access.
- Signing out of shared devices.

You may not create an account for another person, transfer an account or entry, impersonate another person, share protected challenge codes, or use more than one identity to evade entry or attempt limits. Pin2Win may suspend or terminate accounts reasonably believed to be fraudulent, duplicated, compromised, or used in violation of these Terms.

5. Challenge Entries and Payments

An entry is not valid merely because a payment was submitted. A valid entry requires confirmed payment, creation of a corresponding Pin2Win entry record, satisfaction of eligibility requirements, and completion of the authorized entry flow.

Unless the Challenge Details expressly state otherwise:

- The entry fee for the initial Hole-in-One Challenge is \$20.00.
- One paid entry provides one eligible five-shot attempt.
- An entry may be used only by the registered participant.
- An entry must be used during its assigned challenge and attempt window.
- An entry or protected event code may not be sold, transferred, shared, copied, or reused.

Payments are processed through Square or another identified payment provider. Pin2Win may receive a transaction identifier, payment status, amount, and related payment metadata, but does not need to receive your complete payment-card number.

If a payment succeeds but a corresponding entry is not created or usable, the payment is eligible for review and refund under the Refund and Payment Issue Policy.

6. Skill-Challenge Conditions

Pin2Win challenges are intended to be bona fide contests that determine golf skill. You must follow the published Official Rules, Challenge Details, simulator settings, venue instructions, and reasonable directions of authorized staff.

You may not:

- Tamper with a simulator, software, sensor, result, timestamp, network, QR code, or entry record.
- Substitute another player or allow another person to take a shot for you.
- Use a false identity or mismatched simulator account.
- Take extra challenge shots, unauthorized mulligans, or unauthorized practice attempts after the eligible attempt begins.
- Alter or fabricate screenshots, recordings, witnesses, or other evidence.
- Exploit a technical error or access a challenge outside the authorized venue or window.
- Harass participants or staff, damage property, or engage in unsafe conduct.

Violation may result in rejection of a result, disqualification, account suspension, loss of future eligibility, or other lawful action. Disqualification does not create a right to a refund when it results from the participant's violation.

7. Result Verification and Leaderboards

All displayed results and leaderboard positions are provisional until Pin2Win completes verification. Pin2Win may compare account data, payment records, venue and bay information, simulator records, timestamps, video or screenshots, witness information, system logs, and other reliable evidence.

Pin2Win may correct clerical or technical errors and may reject results that are incomplete, inconsistent, duplicated, manipulated, unverifiable, or obtained in violation of the rules. Pin2Win's good-faith eligibility and scoring decisions are final to the maximum extent permitted by law, subject to the dispute procedure in these Terms.

8. Partner Venues and Physical Safety

You are responsible for using golf equipment and simulator facilities safely and following venue rules. Golf swings, clubs, balls, simulator equipment, flooring, and activity around a simulator bay involve inherent risks of injury or property damage.

To the maximum extent permitted by law, you voluntarily assume ordinary risks inherent in participating in an indoor golf activity. Nothing in these Terms waives liability that cannot legally be waived, including liability based on conduct for which a waiver is prohibited by applicable law.

Venue reservation fees, cancellation charges, facility incidents, and venue services are generally the venue's responsibility unless Pin2Win expressly collected or controlled the disputed amount or service.

9. Communications

You authorize Pin2Win to send transactional communications reasonably necessary to operate your account or entry, such as email verification, password recovery, payment status, access instructions, challenge updates, result verification, refund communication, security notices, and potential-winner notices.

Marketing email or text messages, if introduced, will be governed by any additional consent presented when you subscribe. Agreeing to marketing communications must not be required as a condition of purchasing an entry unless legally permitted and clearly disclosed.

10. Intellectual Property and Limited License

The Services, Pin2Win name and branding, site design, software, text, graphics, challenge materials, and other Pin2Win content are owned by or licensed to Pin2Win and are protected by applicable law.

Pin2Win grants you a limited, personal, revocable, nonexclusive, nontransferable license to use the Services for their intended customer purpose. You may not copy, scrape, reverse engineer, resell, interfere with, or commercially exploit the Services except as applicable law expressly permits.

11. Participant Content

If you voluntarily submit a result image, video, testimonial, comment, or other content, you represent that you have the right to submit it and that it is accurate and lawful. You grant Pin2Win a nonexclusive license to store, reproduce, and review that content as reasonably necessary to administer the challenge, verify results, prevent fraud, and resolve disputes.

Pin2Win will obtain separate permission before using an identifiable participant's submitted content in advertising when such permission is required. Challenge participation alone does not require a participant to endorse Pin2Win.

12. Third-Party Services

The Services may link to or interoperate with venues, booking providers, payment providers, simulator platforms, mapping services, social networks, and other third parties. Their services are governed by their own terms and privacy practices. Pin2Win is not responsible for an independent third party's service except to the extent applicable law provides otherwise.

13. Availability, Changes, and Technical Events

Pin2Win may maintain, update, suspend, or modify the Services. Pin2Win does not promise uninterrupted or error-free availability. If a technical or operational failure prevents delivery of a paid entry or completion of an eligible attempt, the participant may qualify for a replacement attempt or refund under the Refund and Payment Issue Policy.

Pin2Win will not retroactively change a material rule to disadvantage an entry already purchased except when reasonably necessary to address fraud, illegality, safety, or a technical condition that prevents fair administration. Any material change will be communicated as appropriate, and affected unused entries will be eligible for refund.

14. Disclaimer of Warranties

To the maximum extent permitted by law, the Services are provided "as is" and "as available." Pin2Win disclaims implied warranties of merchantability, fitness for a particular purpose, and noninfringement. Pin2Win does not guarantee that a participant will achieve any result, win a prize, or receive uninterrupted access.

This disclaimer does not exclude any warranty or consumer right that cannot lawfully be excluded.

15. Limitation of Liability

To the maximum extent permitted by law, Pin2Win and its owners, officers, employees, and agents will not be liable for indirect, incidental, special, exemplary, punitive, or consequential damages, or lost profits or data, arising from the Services or a challenge.

Except for an obligation to pay a duly verified prize or issue an approved refund, Pin2Win's aggregate liability arising from a particular paid entry will not exceed the greater of the amount paid for that entry or \$100.

These limitations do not apply to liability that cannot legally be limited, or to Pin2Win's fraud, gross negligence, willful misconduct, or other conduct for which limitation is prohibited by law.

16. Indemnification

To the maximum extent permitted by law, you agree to indemnify Pin2Win from third-party claims, damages, and reasonable costs resulting from your fraud, intentional misconduct, unlawful activity, infringement of another person's rights, damage to venue property, or material violation of these Terms. This section does not require you to indemnify Pin2Win for Pin2Win's own negligence or unlawful conduct.

17. Informal Dispute Resolution

Before filing a lawsuit, you and Pin2Win agree to send written notice describing the dispute, requested resolution, relevant entry or payment identifiers, and supporting records. Notice to Pin2Win must be sent to pin2wingolf@outlook.com or by mail to the business mailing address listed below.

The parties will attempt in good faith to resolve the dispute for 30 calendar days after receipt of a complete notice. This requirement does not prevent either party from seeking urgent injunctive relief, filing an eligible small-claims matter when a limitations period is approaching, or exercising a right that cannot lawfully be restricted.

18. Governing Law and Courts

Texas law governs these Terms and any dispute, without regard to conflict-of-law rules. After the informal-resolution period, an eligible claim may be brought in a Texas justice court. Any other lawsuit must be brought in a state or federal court with jurisdiction in Bexar County, Texas, and the parties consent to that venue.

These Terms do not presently require binding arbitration and do not eliminate any nonwaivable consumer right.

19. Termination

You may stop using the Services at any time. Pin2Win may suspend or terminate access for a material rules violation, fraud, security risk, legal requirement, or discontinuation of the Services. Provisions that by their nature should survive-including payment, prize, ownership, verification, disclaimers, liability, and dispute provisions-will survive termination.

20. Changes to These Terms

Pin2Win may update these Terms prospectively. The updated version will display a new effective date. Material changes will be communicated reasonably before they apply. The version accepted at the time of a paid entry will continue to govern that entry unless a lawful change is required and affected participants receive an appropriate remedy.

21. General Terms

These Terms, the applicable Official Rules, Challenge Details, Refund and Payment Issue Policy, and Privacy Policy are the complete agreement regarding the Services. If one provision is unenforceable, the remaining provisions remain effective. Pin2Win's failure to enforce a provision is not a waiver. You may not transfer your rights or obligations without Pin2Win's consent. Pin2Win may assign this agreement as part of a merger, financing, reorganization, sale, or transfer of the Services, subject to applicable law. Questions may be sent to PIN2WINGOLF LLC d/b/a Pin2Win at pin2wingolf@outlook.com or 2300 Nacogdoches Rd Apt 124F, San Antonio, TX 78209, United States. The website is <https://pin2wingolf.com>.

Part II - Official Rules for the Pin2Win \$5,000 Hole-in-One Challenge

1. Sponsor

The sponsor and administrator is PIN2WINGOLF LLC d/b/a Pin2Win ("Sponsor"), 2300 Nacogdoches Rd Apt 124F, San Antonio, TX 78209, United States. Participating simulator venues are host locations and are not the sponsor unless expressly identified otherwise.

2. Agreement to Official Rules

By purchasing or using an entry, each participant agrees to these Official Rules, the displayed Challenge Details, and Sponsor's reasonable administration and verification decisions. Do not enter if you do not agree.

3. Eligibility

The Challenge is open only to natural persons who, at the time of entry and participation:

- Are at least 18 years old.
- Are legal residents of Texas.
- Are physically present at an authorized Texas partner venue.
- Maintain a valid Pin2Win account with accurate identity and contact information.
- Use a simulator display name that matches the participant's Pin2Win entry record.
- Satisfy all venue and Challenge Details requirements.

Owners, officers, employees, and contractors of Sponsor who are directly involved in designing, administering, verifying, or promoting the Challenge; participating venue personnel directly involved in administration or verification; prize or insurance providers; and members of those persons' immediate households are not eligible.

Void outside Texas and where prohibited.

4. Challenge Period and Locations

The Challenge begins and ends at the dates and times stated in the Challenge Details displayed before purchase. Times are Central Time unless expressly stated otherwise. Attempts are available only at authorized partner locations and simulator bays identified by Sponsor.

Sponsor's systems are the official timekeeping devices, supplemented by verified simulator and venue records.

5. Challenge Details That Must Be Published Before Entry

Before accepting an entry, Sponsor will publish or display:

- Challenge start and end dates and times.
- Participating venue and eligible simulator bay information.
- Entry fee.
- Number of shots and attempt window.
- Course, hole, tee, target distance, wind, elevation, lie, and other simulator settings.
- Permitted or prohibited equipment and assistance.
- Verification and evidence requirements.
- The current prize amount.

The initial prize is fixed at \$5,000 and is not progressive. Any later progressive or closest-to-the-pin promotion will require separate published rules.

6. How to Enter

To enter, an eligible participant must:

1. Separately reserve or obtain authorized simulator time from a participating venue.
2. Be physically present at the venue.
3. Scan the authorized onsite Pin2Win QR code.
4. Log in or create a Pin2Win account.
5. Provide accurate participant and simulator display-name information.
6. Review and affirmatively accept the current Terms, Official Rules, Refund Policy, and Privacy Policy.
7. Pay the \$20.00 entry fee through the authorized checkout.
8. Receive a valid Pin2Win entry and protected simulator event code.
9. Complete the attempt within the assigned window and under the published configuration.

An entry is not complete until payment is confirmed and Sponsor creates a corresponding valid entry record. Venue reservation costs are separate from the Pin2Win entry fee unless expressly stated.

7. Attempt Rules

One valid entry provides one attempt consisting of five eligible golf shots. Unless the Challenge Details expressly provide otherwise:

- Only the registered participant may take the shots.
- The first five shots recorded after the eligible attempt begins are the challenge shots.
- No mulligans, substitutions, restarts, or additional challenge shots are permitted.
- Practice or warm-up shots must occur outside the active challenge attempt and as permitted by the venue.

- The participant must use the specified simulator event, course, hole, tee, settings, and assigned bay.
- The participant must complete the attempt within the assigned 15-minute access window.
- The participant must not interfere with the simulator, result capture, recording, witnesses, or network connection.

A shot counts as a hole-in-one only if the authorized simulator records the ball as holed from the designated tee in one eligible stroke under the required configuration.

8. Prize and Odds

There is one \$5,000 cash prize available for the Challenge. The prize is awarded only if an eligible participant records the first verified hole-in-one during the Challenge Period.

The odds of winning depend entirely on participant skill and performance and cannot be stated as numerical odds. Payment of an entry fee does not guarantee a prize or any particular result.

If no eligible, verified hole-in-one occurs during the Challenge Period, no prize will be awarded. The prize does not roll over, increase, or transfer to another promotion unless separate rules published before entry expressly provide otherwise.

No assignment or transfer of the prize is permitted. Sponsor will not charge the winner a processing fee, tax prepayment, or other fee to claim the prize.

9. First Verified Hole-in-One

The prize will be awarded to the eligible participant whose valid hole-in-one has the earliest verified simulator timestamp. Review may occur later, but priority is determined by the valid shot time rather than the time a claim is submitted or reviewed.

After Sponsor receives notice of a potential hole-in-one, Sponsor may suspend new entries while verification is pending. If the result is verified, the Challenge closes to new entries. A participant who paid but cannot begin an attempt because of that suspension or closure is eligible for a refund.

If two potential winning records display an identical timestamp or the timestamps are unreliable, Sponsor will use additional reliable evidence—including server logs, video, venue records, witnesses, and precise system metadata—to determine chronological priority. If Sponsor cannot reasonably determine which valid result occurred first, the affected participants will share the \$5,000 prize equally unless applicable law requires another result.

10. Verification

All results are provisional until verified. Sponsor may require and evaluate:

- Pin2Win account and entry records.
- Square payment confirmation.
- Simulator account, shot, event, and timestamp records.
- Venue, bay, and booking records.
- Video, photographs, screenshots, witness statements, or staff confirmation.

- Device, session, network, and security logs.
- Government-issued identification and proof of Texas residency.

Sponsor may reject a result if required evidence is missing or unreliable; records do not match; settings or equipment were unauthorized; another person participated; extra attempts were taken; a code was shared; or Sponsor reasonably determines that tampering, fraud, collusion, or a material rule violation occurred.

11. Potential-Winner Notice and Claim Process

An entrant is only a potential winner until Sponsor completes verification and the entrant completes all required claim documents.

Sponsor intends to notify the potential winner within five business days after initial result verification using the email address or telephone number associated with the account. The potential winner must respond and provide the requested documents within ten calendar days after Sponsor sends notice, unless Sponsor grants additional time in writing.

Required documents may include:

- Government-issued identification.
- Proof of Texas residency.
- Completed IRS Form W-9.
- Eligibility and rules-compliance affidavit.
- Prize-acceptance form.
- A lawful liability release.
- Payment instructions.

Tax identification information must be transmitted using the secure method designated by Sponsor and should not be sent through ordinary email.

If the potential winner cannot be contacted, is ineligible, fails verification, refuses the prize, or does not timely complete the claim requirements, the potential winner may be disqualified and the prize may remain unawarded, subject to applicable law.

12. Prize Payment and Taxes

Sponsor will pay the verified \$5,000 prize within 30 calendar days after final verification and receipt of all properly completed claim documents.

The winner is solely responsible for federal, state, and local taxes and for obtaining personal tax advice. Sponsor may collect tax information, report the prize, and withhold amounts when required by law. For a reportable prize, Sponsor expects to issue the applicable tax form, including Form 1099-MISC where required. Failure to provide a valid taxpayer identification number may result in legally required backup withholding or inability to complete payment.

13. Publicity

Sponsor may publish the verified winner's name, city, challenge result, and prize amount to administer the Challenge and accurately report its outcome, subject to applicable law and the Privacy Policy. Any broader advertising use of the winner's image, voice, testimonial, or likeness will be addressed in a separate written permission when required.

Acceptance of the prize does not require the winner to provide a positive endorsement.

14. Technical Failure, Cancellation, or Modification

If equipment, software, payment, network, venue, or other failure prevents an eligible attempt from being completed or reliably verified, Sponsor may provide a replacement attempt when fair and feasible or issue a refund under the Refund and Payment Issue Policy.

Sponsor may suspend, cancel, or modify the Challenge when fraud, illegality, safety concerns, equipment failure, force majeure, or another condition prevents fair administration. Sponsor will not retroactively reduce an advertised prize after accepting entries. Affected unused entries will be refunded when the purchased attempt cannot be provided.

15. Conduct and Disqualification

Sponsor may disqualify a participant who tampers with the entry or result process, violates these rules, acts unsafely, interferes with another participant, abuses venue or Sponsor personnel, provides false information, or acts fraudulently or unlawfully.

Sponsor may preserve relevant evidence and refer suspected unlawful activity to the venue, payment provider, simulator provider, or appropriate authorities.

16. Release and Limitations

To the maximum extent permitted by law, participants release Sponsor and its owners, officers, employees, agents, and participating venues from claims arising from ordinary risks inherent in voluntary golf simulator participation or from third-party services outside their reasonable control.

Nothing in these Official Rules releases or limits liability for fraud, gross negligence, willful misconduct, or any liability that cannot legally be released or limited.

17. Disputes

Disputes are governed by the informal-resolution, Texas-law, and Bexar County court provisions in the Terms of Use. Eligible claims may be brought in Texas justice court. These rules do not require binding arbitration.

18. Winner Information

After the Challenge concludes and the winner is verified, a person may request the winner's name, city, and result by emailing pin2wingolf@outlook.com with the subject "\$5,000 Challenge Winner Request." Sponsor may require a self-addressed stamped envelope if a paper response is requested.

Part III - Refund and Payment Issue Policy

1. Purpose

Pin2Win wants customers to receive the challenge entry they purchased. A customer is eligible for a refund review when payment was made but no usable entry or eligible attempt was provided, or when another qualifying failure described below occurred.

2. Qualifying Refund Reasons

A refund may be approved when records and submitted evidence establish that:

- Payment succeeded but no corresponding Pin2Win entry was created.
- The customer was charged more than once for the same intended entry.
- The required event code or challenge access was not delivered.
- A Pin2Win, venue, simulator, equipment, software, payment, or network failure prevented the attempt.
- The Challenge was cancelled, suspended, or closed before the customer could use the entry.
- The entry was completely unused and no eligible attempt was begun.
- The customer was charged an incorrect amount.
- Another documented payment or access failure prevented delivery of the purchased entry.

An entry may still qualify as unused even if an event code was displayed, provided Pin2Win can verify that no challenge attempt began and the code was not shared or misused.

3. Nonqualifying Reasons

A refund will generally not be issued merely because:

- The participant completed any portion of the eligible attempt.
- The participant was dissatisfied with the score or result.
- A result was rejected or the participant was disqualified for violating the rules.
- The participant supplied materially false or mismatched information.
- The participant shared, transferred, sold, or misused an entry or event code.
- The participant missed a separate venue reservation for reasons unrelated to Pin2Win or a qualifying failure.

- The request concerns a venue reservation charge not collected by Pin2Win.

Nothing in this section limits a refund or remedy required by law.

4. Deadline to Submit a Claim

A refund request should be submitted within 14 calendar days after the payment or qualifying failure, whichever occurs later. Pin2Win may consider a later request when the customer could not reasonably have discovered or reported the issue earlier.

When Pin2Win confirms that a Challenge was cancelled and can identify affected unused entries, Pin2Win may issue refunds automatically without requiring individual claims.

5. How to Submit a Claim

Until an online claim form is available, email pin2wingolf@outlook.com with the subject "Payment or Refund Claim." Include:

- Account holder's full name and account email.
- Telephone number associated with the entry.
- Square receipt, order number, or other payment identifier.
- Pin2Win entry ID, if available.
- Challenge, venue, bay, date, and approximate time.
- Clear description of what occurred.
- Available proof, such as screenshots, photographs, video, error messages, or venue confirmation.

Pin2Win may request additional information reasonably necessary to verify the claim. Pin2Win will also review records within its control, including checkout, entry, access, simulator, venue, and system logs. Customers are not expected to produce evidence that exists only within Pin2Win's control.

6. Review and Resolution

Pin2Win intends to:

- Acknowledge a complete claim within two business days.
- Make a decision within five business days after receiving the information reasonably needed for review.
- Explain the decision and any additional action required.

Complex matters involving a venue, simulator provider, fraud review, or payment processor may require additional time. Pin2Win will provide a status update if the ordinary review period cannot be met.

7. Approved Refunds

Approved refunds will be returned to the original payment method whenever possible. Pin2Win will initiate the refund promptly after approval, but the payment provider or financial institution may require additional processing time before funds appear.

Pin2Win refunds cover the amount Pin2Win collected for the affected entry. Separate venue booking charges, food or beverage purchases, travel, equipment, or other expenses are not refunded by Pin2Win unless Pin2Win expressly collected and agreed to refund them.

8. Payment Disputes

Customers are encouraged to use this process first so Pin2Win can investigate and correct the issue quickly. This request does not waive any dispute or chargeback right that cannot legally be waived.

Refund questions may be sent to PIN2WINGOLF LLC d/b/a Pin2Win at pin2wingolf@outlook.com or 2300 Nacogdoches Rd Apt 124F, San Antonio, TX 78209, United States.

Part IV - Privacy Policy

1. Scope

This Privacy Policy explains how PIN2WINGOLF LLC d/b/a Pin2Win collects, uses, discloses, and retains personal information through the Services. It applies to customers, account holders, challenge participants, website visitors, and individuals who contact Pin2Win.

2. Information We Collect

Depending on how you use the Services, Pin2Win may collect:

- Account information: name, username, email, telephone number, password hash, verification status, and account timestamps.
- Simulator information: simulator display name, venue, bay, booking match, event code access, attempt window, and simulator session identifiers.
- Challenge information: entry identifiers, challenge selection, shots, scores, results, rank, eligibility status, review notes, timestamps, and submitted verification evidence.
- Payment information: amount, currency, payment status, Square order or transaction identifiers, refund status, and related metadata. Payment providers process payment-card details under their own policies.
- Technical information: IP address, device and browser information, user agent, cookies or session identifiers, QR-scan information, security events, and service logs.
- Communications: support requests, refund claims, emails, feedback, and information submitted through forms.
- Winner information: identification, proof of residency, tax forms, taxpayer information, eligibility affidavits, payment instructions, and prize records.

Pin2Win does not intend to collect information from anyone under 18 through the paid challenge program.

3. How We Use Information

Pin2Win may use personal information to:

- Create, authenticate, secure, and support accounts.
- Process payments and refunds.
- Provide challenge entries and protected simulator access.
- Match participants with simulator records and verify results.
- Maintain leaderboards and administer prizes.
- Detect code sharing, duplicate entries, fraud, abuse, and security incidents.
- Communicate about accounts, transactions, challenges, results, claims, and service changes.
- Support participating venues and reconcile legitimate entry or booking issues.
- Analyze and improve the Services and customer journey.

- Maintain financial, tax, compliance, and legal records.
- Enforce agreements and protect participants, venues, Pin2Win, and others.

4. How We Disclose Information

Pin2Win may disclose information as reasonably necessary to:

- Payment providers, including Square, to process and verify payments or refunds.
- Participating venues to confirm physical presence, bookings, bay assignments, incidents, attempts, and customer-support issues.
- Simulator and technology providers to provide event access and verify results.
- Hosting, database, security, analytics, email, and support providers that process information for Pin2Win under appropriate restrictions.
- Professional advisers, including attorneys, accountants, auditors, insurers, and fraud investigators.
- Government or legal recipients when required by law, legal process, tax reporting, or protection of legal rights.
- Transaction counterparties in a merger, financing, reorganization, sale, or transfer of the business, subject to appropriate protections.

Pin2Win does not sell personal information for money. If Pin2Win later sells personal data or processes it for targeted advertising as those terms are defined by applicable privacy law, Pin2Win will update this Policy and provide required notice and opt-out rights before beginning that activity.

5. Leaderboards and Winner Information

Public leaderboards should use the participant's selected display name or another disclosed identifier rather than unnecessary personal details. Pin2Win may publish a verified winner's name, city, result, and prize amount to administer and report the Challenge. Broader advertising use of a participant's image, voice, testimonial, or likeness will be based on separate permission when required.

6. Cookies, Sessions, and Local Storage

Pin2Win may use cookies, secure session tokens, browser local storage, and similar technologies to maintain login state, protect accounts, preserve entry information, prevent fraud, understand QR and booking activity, and operate the Services.

Player sessions automatically expire after approximately one hour of inactivity. Browser settings may allow you to delete or block certain storage, but doing so may prevent account, checkout, or entry features from functioning correctly.

7. Data Retention

Pin2Win retains information for as long as reasonably necessary for the purposes described in this Policy, including providing accounts and entries, verifying results, resolving disputes, preventing fraud, maintaining financial and tax records, satisfying legal obligations, and enforcing agreements.

Retention periods may vary by record type. Pin2Win should adopt an internal retention schedule before publication, particularly for identification documents, tax forms, simulator evidence, security logs, and unsuccessful refund claims.

8. Security

Pin2Win uses reasonable administrative, technical, and organizational safeguards designed to protect personal information. No internet transmission or storage system is completely secure, and Pin2Win cannot guarantee absolute security.

Customers should use a unique password, protect account credentials, sign out of shared devices, and promptly report suspected unauthorized access.

9. Texas Privacy Rights

Subject to applicability, exceptions, identity verification, and Texas law, a Texas consumer may have rights to:

- Confirm whether Pin2Win processes their personal data and access that data.
- Correct inaccuracies.
- Delete personal data provided by or obtained about the consumer.
- Obtain a portable copy of personal data.
- Opt out of targeted advertising, sale of personal data, or certain profiling.
- Appeal a decision concerning a privacy request.
- Exercise rights without unlawful discrimination.

To submit a privacy request or appeal, email pin2wingolf@outlook.com with the subject "Texas Privacy Request" and describe the request. Pin2Win may take reasonable steps to verify identity and authority before responding.

Pin2Win will respond within the period required by applicable law. If Pin2Win denies a request, the response will include available appeal instructions where required.

10. Children

The paid challenge program is not directed to anyone under 18, and Pin2Win does not knowingly permit a person under 18 to purchase or use a challenge entry. If Pin2Win learns that an ineligible minor submitted personal information, it may delete the information and terminate the account, subject to legal retention requirements.

11. External Links and Third Parties

The Services may link to venue booking pages, Square, simulator services, social networks, or other third parties. Their privacy policies govern their independent collection and use of information.

12. Changes to This Policy

Pin2Win may update this Privacy Policy prospectively. The current version will display its effective date. Material changes will be communicated reasonably and, when required, consent will be obtained before applying a new use to previously collected information. Privacy questions and requests may be sent to PIN2WINGOLF LLC d/b/a Pin2Win at pin2wingolf@outlook.com or 2300 Nacogdoches Rd Apt 124F, San Antonio, TX 78209, United States. The website is <https://pin2wingolf.com>.

Internal Launch Checklist - Remove Before Publication

Legal and Business Review

- Obtain Texas counsel's written confirmation of the contest structure under Texas Penal Code Section 47.01.
- Confirm whether any registration, bonding, insurance, or local venue-specific requirement applies.
- Have a CPA confirm W-9 collection, Form 1099-MISC reporting, backup withholding, and prize-payment records.
- Insert the approved effective date.
- Confirm the challenge dates, eligible locations, simulator configuration, target distance, and equipment rules.
- Reserve or insure the full advertised prize before opening entries.
- Confirm the first-hole-in-one closure and equal-split fallback procedures operationally.
- Establish a secure method for winner identification, W-9, and payment instructions.
- Adopt an internal data-retention schedule and vendor list.

Website Acceptance

- Present unchecked acceptance before the customer leaves for Square checkout.
- Suggested checkbox: "I am at least 18 years old, a Texas resident, and physically present at an authorized Texas venue. I agree to the Terms of Use, Official Challenge Rules, Refund Policy, and Privacy Policy."
- Make each document available through a conspicuous link beside the checkbox.
- Prevent checkout until acceptance is recorded.
- Record user ID, entry or checkout ID, document version, UTC timestamp, IP address, user agent, and acceptance text.
- Preserve an immutable copy or cryptographic hash of each accepted document version.
- Include persistent footer links to the current Terms, Official Rules, Refund Policy, and Privacy Policy.
- Display the applicable challenge dates, configuration, prize, fee, and location before payment.

Operational Controls

- Stop or suspend new checkout immediately after notice of a potential hole-in-one.
- Refund paid entries that cannot be used because the Challenge closes.
- Preserve simulator timestamps, result evidence, account matches, and audit history.
- Provide a documented administrator workflow for disqualification and appeals.
- Create a refund-support form that captures the evidence listed in the Refund Policy.
- Do not request tax identification numbers or identity documents through ordinary email.

Authorities for Counsel Review

- Texas Penal Code Chapter 47 - Gambling; bona fide skill-contest language in Section 47.01
- Texas Civil Practice and Remedies Code Chapter 129 - Age of Majority
- Texas Government Code Chapter 27 - Justice Court Jurisdiction
- Texas Business and Commerce Code Chapter 541 - Consumer Data Protection
- Texas Attorney General - Texas Data Privacy and Security Act overview
- IRS - 2026 Instructions for Forms 1099-MISC and 1099-NEC
- IRS - Requester Instructions for Form W-9
- IRS - Backup Withholding
